

# **Optical Assistant Required**

**Location: Ballymena**

**Contract type – Full Time/Permanent**

**(37 ½ hours per week – includes late nights and weekends including Sundays)**

Join our team and allow us to develop your career in a business that is constantly expanding.

As an Optical Assistant, you will make sure that every customer gets a great experience when they come into our store. This means listening to what they want, explaining our offers and products, and dispensing single vision lenses. You will work to NHS guidelines (as well as our own high standards), give good, clear advice and make a positive impression thanks to your polite and professional approach.

To secure this position you will need GCSE's, grade C or above in English and Maths as well as a real passion for providing fantastic customer care.

Please visit our website to get a better understanding of our business and our Visions and Values.
